His collection of high end and high performance vehicles, mainly Ford products, is amazing. Even a hydrogen powered car for you futuristic explorers.

Event is in Livonia; southeast of the intersection of I-96 and I-275. Off of I-96, exit at Newburgh Rd., turn south to Plymouth Rd., east on Plymouth to Market St. Left on Market St., second building on the left. Plenty of parking all around the building.

Please complete and return bottom portion of flier, with \$10.00/pp to Kathy Mitchell. \$5.00 for admission to the collection and \$5.00 to cover the cost of the ice cream.
Reservations are to assure we purchase the needed amount of ice cream and supplies.
